A Raisin in the Sun Lorraine Hansberry, 2022-08-14 Never before has so much of the truth of black people's lives been shown on the stage in the entire history of the American theatre, James Baldwin observed just before *A Raisin in the Sun* premiered on Broadway in 1959.

A Raisin in the Sun Lorraine Hansberry, 2004-11-29 Never before, in the entire history of the American theater, has so much of the truth of Black people's lives been seen on the stage, observed James Baldwin shortly before *A Raisin in the Sun* opened on Broadway in 1959. This edition presents the fully restored, uncut version of Hansberry's landmark work with an introduction by Robert Nemiroff. Lorraine Hansberry's award-winning drama about the hopes and aspirations of a struggling, working-class family living on the South Side of Chicago connected profoundly with the psyche of Black America—and changed American theater forever. The play's title comes from a line in Langston Hughes's poem *Harlem*, which warns that a dream deferred might dry up/like a raisin in the sun. The events of every passing year add resonance to *A Raisin in the Sun*, said *The New York Times*. It is as if history is conspiring to make the play a classic.

Lorraine Hansberry: The Life Behind A Raisin in the Sun Charles J. Shields, 2022-01-18 The moving story of the life of the woman behind *A Raisin in the Sun*, the most widely anthologized, read, and performed play of the American stage, by the *New York Times* bestselling author of *Mockingbird: A Portrait of Harper Lee* Written when she was just twenty-eight, Lorraine Hansberry's landmark *A Raisin in the Sun* is listed by the National Theatre as one of the hundred most significant works of the twentieth century. Hansberry was the first Black woman to have a play performed on Broadway, and the first Black and youngest American playwright to win a New York Critics' Circle Award. Charles J. Shields's authoritative biography of one of the twentieth century's most admired playwrights examines the parts of Lorraine Hansberry's life that have escaped public knowledge: the influence of her upper-class background, her fight for peace and nuclear disarmament, the reason why she embraced Communism during the Cold War, and her dependence on her white husband—her best friend, critic, and promoter. Many of the identity issues about class, sexuality, and race that

she struggled with are relevant and urgent today. This dramatic telling of a passionate life—a very American life through self-reinvention—uses previously unpublished interviews with close friends in politics and theater, privately held correspondence, and deep research to reconcile old mysteries and raise new questions about a life not fully described until now.

Lorraine Hansberry's *The Sign in Sidney Brustein's Window* Lorraine Hansberry, 1986 This is the probing, hilarious and provocative story of Sidney, a disenchanting Greenwich Village intellectual, his wife Iris, an aspiring actress, and their colorful circle of friends and relations. Set against the shenanigans of a stormy political campaign, the play follows its characters in their unorthodox quests for meaningful lives in an age of corruption, alienation and cynicism. With compassion, humor and poignancy, the author examines questions concerning the fragility of love, morality and ethics, interracial relationships, drugs, rebellion, conformity and especially withdrawal from or commitment to the world.

A Reader's Guide to Lorraine Hansberry's A Raisin in the Sun Pamela Loos, 2008-01-01 Presents a critique and analysis of *A Raisin in the Sun*, discussing the plot, themes, dramatic devices, and major characters in the play, and includes a brief overview of Hansberry's other works.

To Be Young, Gifted and Black Lorraine Hansberry, 2011-01-04 “Anyone who has ever wondered what it really means to be Black will find the answer in this book.”—MINNEAPOLIS TRIBUNE *To Be Young, Gifted and Black* is a special kind of autobiography, in a very special voice. Both the story and the voice belong to a young woman from Chicago who moved to New York, won fame with her first play, *A Raisin in the Sun*—and went on to new heights of artistry before her tragically early death. In turns angry, loving, bitter, laughing, and defiantly proud, the story, voice, and message are all Lorraine Hansberry's own, coming together in one of the major works of the Black experience in mid-twentieth-century America. “A milestone.”—TIME “Wonderfully moving and entertaining.”—Clive Barnes, THE NEW YORK TIMES “I advise anybody who is interested in the human condition, black or white, to read it.”—NEWSDAY

Les Blancs: The Collected Last Plays Lorraine Hansberry, 1994-12-13 Here are Lorraine Hansberry's last three plays--*Les Blancs*, *The Drinking Gourd*, and *What Use Are Flowers?*--representing the capstone of her achievement. Using Informational Text to Teach A Raisin in the Sun Audrey Fisch, Susan Chenelle, 2016-02-12 The Common Core State Standards mean major changes for language arts teachers, particularly the emphasis on “informational text.” How do we shift attention toward informational texts without taking away from the teaching of literature? The key is informational texts deeply connected to the literary texts you are teaching. Preparing informational texts for classroom use, however, requires time and effort. *Using Informational Text to Teach Literature* is designed to help. In this second volume (the first volume is on *To Kill a Mockingbird*), we offer informational texts connected to Lorraine Hansberry's *A Raisin in the Sun*. Readings range in genre (commencement address, historical and cultural analysis, government report, socioeconomic research study, and Supreme Court decision) and topic (housing discrimination past and present, abortion, the racial and cultural politics of hair, socioeconomic mobility and inequality, the

violence associated with housing desegregation, and the struggle against the legacy of systemic racism). Each informational text is part of a student-friendly unit, with reading strategies and vocabulary, writing, and discussion activities. Teachers need to incorporate nonfiction in ways that enhance their teaching of literature. The Using Informational Text to Teach Literature series is an invaluable supportive tool.

The White Tiger Aravind Adiga,2008-04-22 NOW A MAJOR MOTION PICTURE The stunning Booker Prize-winning novel from the author of *Amnesty* and *Selection Day* that critics have likened to Richard Wright's *Native Son*, *The White Tiger* follows a darkly comic Bangalore driver through the poverty and corruption of modern India's caste society. "This is the authentic voice of the Third World, like you've never heard it before" (John Burdett, Bangkok 8). The white tiger of this novel is Balram Halwai, a poor Indian villager whose great ambition leads him to the zenith of Indian business culture, the world of the Bangalore entrepreneur. On the occasion of the president of China's impending trip to Bangalore, Balram writes a letter to him describing his transformation and his experience as driver and servant to a wealthy Indian family, which he thinks exemplifies the contradictions and complications of Indian society. Recalling *The Death of Vishnu* and Bangkok 8 in ambition, scope, *The White Tiger* is narrative genius with a mischief and personality all its own. Amoral, irreverent, deeply endearing, and utterly contemporary, this novel is an international publishing sensation—and a startling, provocative debut.

Twelve Angry Men Reginald Rose,2006-08-29 A landmark American drama that inspired a classic film and a Broadway revival—featuring an introduction by David Mamet A blistering character study and an examination of the American melting pot and the judicial system that keeps it in check, *Twelve Angry Men* holds at its core a deeply patriotic faith in the U.S. legal system. The play centers on Juror Eight, who is at first the sole holdout in an 11-1 guilty vote. Eight sets his sights not on proving the other jurors wrong but rather on getting them to look at the situation in a clear-eyed way not affected by their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, *Twelve Angry Men* had a successful, and award-winning, run on Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Understanding A Raisin in the Sun Lynn Domina,1998-09-24 *A Raisin in the Sun* is the first play by a black woman to be produced in a Broadway theater. First performed in 1959, before the civil rights and women's movements came to the fore, it raises issues of segregation, family strife, and

relationships between men and women that are both representative of the time and timeless in their universality. This interdisciplinary collection of commentary and forty-five primary documents will enrich the reader's understanding of the historical and social context of the play. A wide variety of primary materials sheds light on integration and segregation in the 1950s and 1960s; relationships between African Americans and Africans; relationships between men and women within African American culture; Chicago as a literary setting for the play; and contemporary race relations in the 1990s. Documents include first-person accounts, magazine articles and editorials espousing opposing arguments, excerpts from the works of Toni Morrison, W.E.B. DuBois, Marcus Garvey, bell hooks, Malcolm X, and Richard Wright, and a selection of pertinent government documents and eye-opening statistics. Many of the documents are available in no other printed form. Each chapter concludes with study questions and topics for research papers and class discussion, as well as lists of further reading for examining the themes and issues raised by the play. The casebook begins with a literary analysis of the play, its themes and dramatic structure. Two chapters on the historical context provide commentary and documents on the history of segregation and integration in the United States, focusing on segregation in employment and education as well as in housing, and relationships between African Americans and Africans and the back to Africa movement. A chapter situates the play within the context of the literature of Chicago, including articles about race problems, as well as excerpts from Upton Sinclair's *The Jungle*, Richard Wright's *Native Son*, Carl Sandburg's poem *Chicago*, and other pieces. The topic of the relationship between African American men and women is explored in a variety of articles on the African American family, black fatherhood, black masculinity, and the problems of African American women. A chapter on contemporary race relations examines the current situation and includes first-person accounts by two African American teenagers, current employment statistics for African Americans, and articles on current problems facing them. Each document is preceded by an explanatory introduction, and each chapter concludes with study questions and topics for research papers and class discussion, as well as lists of further reading for examining the themes and issues raised by the play.
