Safe Haven Nicholas Sparks,2012-12-18 In a small North Carolina town, a mysterious and beautiful woman running from her past slowly falls for a kind-hearted store owner . . . until dark secrets begin to threaten her new life. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children; and another with her plainspoken single neighbor, Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her . . . a past that set her on a fearful, shattering journey across the country, to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards . . . and that in the darkest hour, love is the only true safe haven.

American Taliban Pearl Abraham,2010-04-13 An avid, near-six-foot-tall surfer, John Jude Parish cuts a striking figure on the beaches of the Outer Banks in North Carolina. When he isn't on water, John lives on wheels, a self-described skate rat—grinding and kickflipping with his friends, and encouraged by his progressive parents. His hero is the great explorer Richard Burton, his personal prophet is Bob Dylan, and his world is wide open—to new ideas, philosophies, and religions. Through online forums and chat rooms, John meets a young woman from Brooklyn who spurs his interest in Islam and Arab literature. Deferring Brown University for a year, he moves to the idyllic New York borough to study Arabic. Like Burton, John embraces the experience heart, body, and soul—submitting to Islam, practicing the salaah, fasting and meditating, dancing with dervishes, and encountering the extraordinary. Burton lived the life of a nineteenth-century adventurer, but he also penetrated the ancient wisdom of secret worlds. John will too—with unforeseen consequences. Critically acclaimed novelist Pearl Abraham uses her gifts of psychological acuity and uncommon empathy to depict a typical upper-middle-class family snared by the forces of history, politics, and faith. In *American Taliban*, she imagines this young surfer/skater on a distinctly American spiritual journey that begins with Transcendentalism and countercultural impulses, enters into world mysticism, and finds its destination in Islam. Provocative, unsettling, and written in a brilliantly inventive, refreshingly original voice, *American Taliban* is poised to become one of the most talked-about novels of the year.

Three Weeks with My Brother Nicholas Sparks, Micah

Sparks, 2004-04-05 In this New York Times bestseller, follow the author of *The Notebook* as he travels the world with his brother learning about faith, loss, connection, and hope. As moving as his bestselling works of fiction, Nicholas Sparks's unique memoir, written with his brother, chronicles the life-affirming journey of two brothers bound by memories, both humorous and tragic. In January 2003, Nicholas Sparks and his brother, Micah, set off on a three-week trip around the globe. It was to mark a milestone in their lives, for at thirty-seven and thirty-eight respectively, they were now the only surviving members of their family. Against the backdrop of the wonders of the world and often overtaken by their feelings, daredevil Micah and the more serious, introspective Nicholas recalled their rambunctious childhood adventures and the tragedies that tested their faith. And in the process, they discovered startling truths about loss, love, and hope. Narrated with irrepressible humor and rare candor, and including personal photos, *Three Weeks with My Brother* reminds us to embrace life with all its uncertainties . . . and most of all, to cherish the joyful times, both small and momentous, and the wonderful people who make them possible.

We don't always get to choose our paths in life; sometimes they choose us. ONE OF THE BEST BOOKS OF THE YEAR: PopSugar After fleeing an abusive husband with her six-year-old son, Tommie, Beverly is attempting to create a new life for them in a small town off the beaten track. The Best of Me Nicholas Sparks, 2011-10-11 In this #1 New York Times bestselling novel of first love and second chances, former high school sweethearts confront the painful truths of their past to build a promising future—together. Everyone wanted to believe that endless love was possible. She'd believed in it once, too, back when she was eighteen. In the spring of 1984, high school students Amanda Collier and Dawson Cole fell deeply, irrevocably in love. Though they were

from opposite sides of the tracks, their love for one another seemed to defy the realities of life in their small town in North Carolina. But as the summer of their senior year came to a close, unforeseen events would tear the young couple apart, setting them on radically divergent paths. Now, twenty-five years later, Amanda and Dawson are summoned back home for the funeral of Tuck Hostetler, the mentor who once gave shelter to their high school romance. Neither has lived the life they imagined . . . and neither can forget the passionate first love that forever changed their lives. As Amanda and Dawson carry out the instructions Tuck left behind for them, they realize that everything they thought they knew—about Tuck, about themselves, and about the dreams they held dear—was not as it seemed. Forced to confront painful memories, the former lovers will discover undeniable truths about the choices they have made. And in the course of a single, searing weekend, they will ask of the living, and the dead: Can love truly rewrite the past?
