

The Antichrist Studies On The End Times

Steve Wohlberg

The Antichrist: Studies on the End Times A.W Pink, Rev Terry Kulakowski, Editor, 2017-10-20 The contents of this book were first given out by the author at Bible Conferences, and then appeared in their present form in *Studies in the Scriptures*.¹ As the subject of them is of such importance to students of prophecy, and as so little has been published thereon, we have deemed it advisable to issue them, complete, in book form. So far as the writer is aware, only two or three comparatively brief booklets and essays have appeared on this particular theme, though to their contents we are indebted for a number of helpful suggestions. Our aim has been to present as comprehensive an outline as our space would allow. Much of what we have advanced will no doubt be new to the great majority of our readers. Frequently we have been obliged to deviate from the interpretations of those who have gone before us. Nevertheless, we have sought to give clear proof texts for everything advanced.

Decoding the Antichrist and the End Times Mark Biltz, 2019-03-05 Will the real Antichrist please stand up? For the last two thousand years people have been anxiously trying to analyze who the Antichrist might be and when he might be revealed. Many people have made preposterous claims, and of course, they have been wrong. If you're not careful, you can get caught up in the debate and spend so much time arguing with other Christians over the details that you don't accomplish anything for the kingdom! To make matters worse, we now live in an era when, for the first time, we have the possibility of an artificial intelligence Antichrist, a human computer hybrid that will demand to be worshipped. Have you ever wondered if it's OK to have Alexa, Siri, and other forms of artificial intelligence in your home? We know that the Bible says great deception is coming, so what is a concerned believer to do? Author and minister Mark Biltz wants you to understand the methods of the Antichrist so you won't be deceived. This book will help you know the big picture of what has happened historically, what is unfolding this very moment, and what the future holds concerning the Antichrist based on the unfolding purposes of God.

Understanding End Times Prophecy Paul N. Benware, 2006-05-01 Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

Not Afraid of the Antichrist Michael L. Brown, Craig S. Keener, 2019-03-19 Despite the popular theology of our day, Christians should not expect to get out of experiencing the tribulation or the end times. Nowhere in the Bible does the Lord promise us this, say Michael Brown and Craig Keener, two leading, acclaimed Bible scholars. In fact, they say, Jesus promises us tribulation in this world. Yet this is no reason to fear. In this fascinating, accessible, and personal book, Brown and Keener walk you through what the Bible really says about the rapture, the tribulation, and the end times. What they find will leave you full of hope. God's wrath is not poured out on His people, and He will shield us from it--as he shielded Israel in Egypt during the ten plagues. So instead of taking comfort in what God hasn't promised, take comfort in the words of Jesus: He has overcome the world, and we live in his victory.

End Time Delusions Steve Wohlberg, 2004 Will Christians vanish in a rapture? Will seven years of apocalyptic terror overtake those left behind? Will one future Mr. Diabolical -- the antichrist -- rise to control the world? Will he enter a rebuilt Jewish temple, claiming to be God? Will Earth's nations attack Israel at Armageddon? Best-selling books like *Left Behind* and popular apocalyptic movies predict such things. Are they correct? No area of Christianity has been subject to more misguided interpretation than prophecy. Millions of Christians sense we are nearing Jesus Christ's return. Yet when it comes to what the majority thinks will happen during Earth's last days, and what the Bible actually says will occur, the difference is seismic. With clarity and biblical accuracy, *End Time Delusions* exposes massive errors now flooding through media and in much of today's sensational prophecy writing. This book closely examines tightly meshed yet speculative theories about the rapture, seven-year tribulation, antichrist, and the modern Jewish state. This book is no novelty. Buttressed with solid teachings from many of Christianity's most illustrious scholars, it lets the Bible speak for itself about the past, present, and future.

As You See The Day Approaching Robert Peterson, 2012-02-29 It is estimated that about 25 percent of the Bible relates to prophecy. God did not include prophecy in his Word just to fill up the pages. God wants those who are his own to not only understand prophecy but also to act on that understanding. Clear prophetic markers in Scripture light the way to Christ's return. Some of these markers are currently blazing brightly.

The antichrist, the false prophet, the church, the Jews, the 144,000, the two witnesses, and the three angels each have a role to play as the last seven years of history unfolds. Scripture provides clues as to how these last-days players are integrated into the biblical script of the tribulation period.

The Late Great Planet Earth Hal Lindsey, 2016-10-11 The impact of The Late Great Planet Earth cannot be overstated. The New York Times called it the no. 1 non-fiction bestseller of the decade. For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.
