Mary S. Melcher

*The Catholic Mystique* Jennifer Ferrara, Patricia Sodano Ireland, 2004 There are Catholics and non-Catholics alike who take it as truth that the Catholic Church is no place for a self-respecting, intelligent woman. Authors Jennifer Ferrara and Patricia Sodano Ireland disagree. Both were ordained Lutheran ministers. Both became Roman Catholics. *The Catholic Mystique* tells their stories -- and the stories of more than a dozen other educated, articulate, accomplished women who found fulfillment in the Church. While the contributors to this book come from a wide variety of religious, ethnic, socio-economic, and professional backgrounds, these firsthand accounts share a common theme. All experienced a sense of restlessness and profound feelings of unfulfillment, until they finally came to rest in the bosom of the Church. Time and again, it was the Church's clear and uncompromising stance on the sanctity of human life that first attracted a woman's attention, and then captured her heart. Book jacket.

**Prayers of the Women Mystics** Ronda De Sola Chervin, Ronda Chervin, 1992 Journey in prayer with great women mystics and, through the pen of mystical prayer, glimpse their profound intimacy with God. Gertrude the Great, Birgitta of Sweden, Italian of Norwich, Catherine of Siena, Teresa of Avila, and fourteen more mystics are included. Each chapter on a particular mystic includes commentary on her life and spirituality and a selection of prayers organized by key themes.

Saint Training Elizabeth Fixmer, 2010-08-24 Mary Clare is on the lookout for a miracle. Mary Clare O'Brian is determined to be a saint when she grows up (the halo will help cover her frizzy hair). But lately none of her prayers seem to be working the way she wants them to: her mother is losing her faith, her parents can't pay all the bills, and her brother receives a draft notice for the war in Vietnam. Mary Clare has a plan to help, but it just doesn't seem to be working. How is she supposed to become a saint when her world is falling apart? Dear Mother Superior, My name is Mary Clare O'Brian and I am in sixth grade. I would like to join the convent right after 8th grade before I start liking boys too much. I'm already having problems with boys liking me. Gregory in my class throws spitballs at me and told my best friend he likes me. I haven't told him that I want to be God's bride yet. Do you think I should?

**Get Us Out of Here!!** Nicky Eltz, 2002-12-01 Dear Reader, What you are now holding is a most interesting book. The world beyond is speaking. It is offering advice, asking for help and giving answers. It exists and speaks about life -- our life here on earth and of possible consequences of our behaviour. It tells us that it is not the same to be humble, loving, good, merciful, loyal and honest as it is to be proud, loveless, bad, merciless, betraying and dishonest. At death this is not forgotten but rather remembered in total clarity. Not only is the punishment, or better yet the cleansing, spoken about; but also the length of this cleansing is so very much more. Then you ask yourself, is it possible? In the Catholic church one speaks about a transitory state which for a very long time has been referred to as Purgatory. Despite there being different theories, this state is always taken seriously. One needs it because one can only come before God cleansed and pure.

*Good Catholics* Patricia Miller, 2014-05-20 This book tells the story of a fifty-year struggle to assert the moral legitimacy of a pro-choice position in the Catholic Church, as well as the concurrent efforts of the Catholic hierarchy to suppress abortion dissent and to translate Catholic doctrine on sexuality into law. Miller tells a history of protest and persecution, which demonstrates the influence that the conflict over abortion in the Catholic Church has had not only on the church but also on U.S. politics. The book addresses many of today's questions about the separation of church and state, including what concessions society should make in public policy to matters of religious doctrine, such as the Catholic ban on contraception.

*The Life of Mary As Seen By the Mystics* Raphael Brown, 2024-03-14 T00:00:00Z A masterpiece that combines the visions of four great Catholic mystics into one coherent story on the life of the Blessed Virgin Mary. Based primarily on the famous revelations of Ven. Anne Catherine Emmerich and Ven. Mary of Agreda, it also includes many episodes described in the writings of St. Bridget of Sweden and St. Elizabeth of Schenau. To read this book, therefore, is to share in the magnificent visions granted to four of the most privileged souls in the history of the Church. In complete harmony with the Gospel story, this book reads like a masterfully written novel. It includes such fascinating details as the birth and infancy of Mary, her espousal to St. Joseph and her Assumption into Heaven where she was crowned Queen of Heaven and Earth. For young and old alike, *The Life of Mary As Seen by the Mystics* will forever impress the reader with an inspiring and truly unforgettable understanding of the otherwise unknown facts concerning Mary and the Holy Family.

**Into the Deep** Abigail Rine Favale, 2018-10-25 *Into the Deep* traces one woman's spiritual odyssey from birthright evangelicalism through postmodern feminism and, ultimately, into the Roman Catholic Church. As a college student, Abigail Favale experienced a feminist awakening that reshaped her life and faith. A decade later, on the verge of atheism, she found herself entering the oldest male-helmed institution on the planet--the last place she expected to be. With humor and insight, the author describes her gradual exodus from Christian orthodoxy and surprising swerve into Catholicism. She writes candidly about grappling with wounds from her past, Catholic sexual morality,

the male priesthood, and an interfaith marriage. Her vivid prose brings to life the wrenching tumult of conversion--a conversion that began after she entered the Church and began to pry open its mysteries. There, she discovered the startling beauty of a sacramental cosmos, a vision of reality that upended her notions of gender, sexuality, identity, and authority. Into the Deep is a thoroughly twenty-first-century conversion, a compelling account of recovering an ancient faith after a decade of doubt.

*Fill These Hearts* Christopher West, 2013-01-08 The author of the Catholic best-seller, *Theology of the Body Explained*, examines the vital powers of the body, sexuality and spirituality that compel life pursuits, drawing on lessons from classical and contemporary disciplines including the Christian mystical tradition to challenge beliefs about Christianity's sexual oppressiveness while linking erotic impulses to a spiritual need for God.

Reconsidering Catholic Lay Womanhood Kathryn G. Lamontagne, 2023-07-26 This book offers a new perspective on the often-overlooked lives of lay women in the English Roman Catholic Church. It explores how over a century ago in England some exceptional Catholic lay women – Margaret Fletcher, Maude Petre, Radclyffe Hall, and Mabel Batten - negotiated non-traditional family lives and were actively practicing their faith, while not adhering to perceived structures of femininity, power, and sexuality. Focusing on c. 1880-1930, a time of dynamism and change in both England and the Church, these remarkable women represent a rethinking of what it meant to be a lay women in the English Roman Catholic Church. Their pious transgressions demonstrate the multiplicity of ways lay women powerfully asserted aspects of their faith while contravening boundaries traditionally assumed for them in an ostensibly patriarchal religion. In fact, the Church could be a place for expressions of unconventional religiosity and reinterpretations of womanhood and domesticity. Connecting together the lives of these women for the first time, this work fills a lacuna in the scholarship of modern Catholic and gender history. Drawing from private collections and numerous archives, it illustrates the surprising range of modes of Lived Catholicism and devotion to faith. Students and scholars of Catholicism, gender, and LGBTQIA+ studies will find significant merit in a book that assigns lay women a more prominent role in the English Catholic Church and offers examples of the flexibility of Roman Catholicism.

*Can You Be a Catholic and a Feminist?* Julie Hanlon Rubio, Professor of Christian Social Ethics Julie Hanlon Rubio, 2024 Is it possible to reconcile Catholic and feminist identities? Julie Hanlon Rubio argues that it is, but only if we rethink how women and men who experience the pull of feminism and Catholicism can credibly claim both identities.

*Everyday Magic in Early Modern Europe* Kathryn A. Edwards, 2016-03-09 While pre-modern Europe is often seen as having an 'enchanted' or 'magical' worldview, the full implications of such labels remain inconsistently explored. Witchcraft, demonology, and debates over pious practices have provided the main avenues for treating those themes, but integrating them with other activities and ideas seen as forming an enchanted Europe has proven to be a much more difficult task. This collection offers one method of demystifying this world of everyday magic. Integrating case studies and more theoretical responses to the magical and preternatural, the authors here demonstrate that what we think of as extraordinary was often accepted as legitimate, if unusual, occurrences or practices. In their treatment of and attitudes towards spirit-assisted treasure-hunting, magical recipes, trials for sanctity, and visits by guardian angels, early modern Europeans showed more acceptance of and comfort with the extraordinary than modern scholars frequently acknowledge. Even witchcraft could be more pervasive and less threatening than many modern interpretations suggest. Magic was both mundane and mysterious in early modern Europe, and the witches who practiced it could in many ways be quite ordinary members of their communities. The vivid cases described in this volume should make the reader question how to distinguish the ordinary and extraordinary and the extent to which those terms need to be redefined for an early modern context. They should also make more immediate a world in which magic was an everyday occurrence.

What the Mystics Know Richard Rohr, 2015 For Christians seeking a way of thinking outside of strict dualities, this guide explores methods for letting go of division and living in the present. Drawn from the Gospels, Jesus, Paul, and the great Christian contemplatives, this examination reveals how many of the hidden truths of Christianity have been misunderstood or lost and how to read them with the eyes of the mystics rather than interpreting them through rational thought. Filled with sayings, stories, quotations, and appeals to the heart, specific methods for identifying dualistic thinking are presented with simple practices for stripping away ego and the fear of dwelling in the present.

**The Joy of the Gospel** Pope Francis, 2014-10-07 The perfect gift! A specially priced, beautifully designed hardcover edition of *The Joy of the Gospel* with a foreword by Robert Barron and an afterword by James Martin, SJ. "The joy of the gospel fills the hearts and lives of all who encounter Jesus... In this Exhortation I wish to encourage the Christian faithful to embark upon a new chapter of evangelization marked by this joy, while pointing out new paths for the Church's journey in years to come." – Pope Francis This special edition of Pope Francis's popular message of hope explores themes that are important for believers in the 21st century. Examining the many obstacles to faith and what can be done to overcome those hurdles, he emphasizes the importance of service to God and all his creation. Advocating for "the homeless, the addicted, refugees, indigenous peoples, the elderly who are increasingly isolated and abandoned," the Holy Father shows us how to respond to poverty and current economic challenges that affect us locally and globally. Ultimately, Pope Francis demonstrates how to develop a more personal relationship with Jesus Christ, "to recognize the traces of God's Spirit in events great and small." Profound in its insight, yet warm and accessible in its tone, *The Joy of the Gospel* is a call to action to live a life motivated by divine love and, in turn, to experience heaven on earth. Includes a foreword by Robert Barron, author of *Catholicism: A Journey to the Heart of the Faith* and James Martin, SJ, author of *Jesus: A Pilgrimage*

Divining Woman Jane Flower, 2024-04-30 *Divining Woman* is directed to both the academic for research praxis and general reader interested in female history. It takes the reader on a historical journey from the rise of patriarchy and its grand narratives that defined the place of women in western culture and which still resonate today. At the same time is the lesser, but extremely interesting history of a contemporary woman as she navigates the place of one woman in today's world and how the reader might evaluate their own place as a creative force in reclaiming her voice, culture and lineage today. The author takes a systemic approach in her research that introduces a different history of certain women throughout time, with their specific characteristics and skills, as well as their impactful actions. It is a reclamation of female culture and a newfound history of female genealogy within a framework that covers the female spiritual in Celtic, Christian, Buddhist and the secular arts. The in-depth research, historical and cultural interplay, literary quests and myths promote a compelling case of women's fight against subjugation and exclusion. This is both academic research and feminist storytelling

intertwined with historical events that provide the reader with a creative insight into the topic. On one hand, academic research and analysis style gives an overview of patriarchy and its effects, past and present, and on the other. The first-person narration, personal anecdotes and storytelling help bring *Divining Woman* to life. Content is thus enhanced and complemented by these two styles. This thesis places the reader in a prime position to launch the young academic on the road to finding solutions 'outside' the mainstream schools of thought – because it is honest, personable and thoroughly academically researched.
