The Gentle Art of Swedish Death Cleaning Margareta Magnusson,2018-01-02
The basis for the wonderfully funny and moving TV series developed by Amy Poehler and Scout Productions A charming, practical, and unsentimental

approach to putting a home in order while reflecting on the tiny joys that make up a long life. In Sweden there is a kind of decluttering called *döstädning*, *dö* meaning “death” and *städning* meaning “cleaning.” This surprising and invigorating process of clearing out unnecessary belongings can be undertaken at any age or life stage but should be done sooner than later, before others have to do it for you. In *The Gentle Art of Swedish Death Cleaning*, artist Margareta Magnusson, with Scandinavian humor and wisdom, instructs readers to embrace minimalism. Her radical and joyous method for putting things in order helps families broach sensitive conversations, and makes the process uplifting rather than overwhelming. Margareta suggests which possessions you can easily get rid of (unworn clothes, unwanted presents, more plates than you’d ever use) and which you might want to keep (photographs, love letters, a few of your children’s art projects). Digging into her late husband’s tool shed, and her own secret drawer of vices, Margareta introduces an element of fun to a potentially daunting task. Along the way readers get a glimpse into her life in Sweden, and also become more comfortable with the idea of letting go.

Eye of the Heart Cynthia Bourgeault, 2020-09-08 This groundbreaking book shares the evolution of Cynthia Bourgeault's spiritual journey and offers a new map to understanding energy and our collective reality. In *Eye of the Heart*, Cynthia Bourgeault investigates the imaginal realm--an energetic realm well known to the mystical traditions but often forgotten in our own times. It is invisible to the physical eye, but clearly perceptible through the eye of the heart. The imaginal realm has long been associated with the personal world of dreams, prophecy, and oracles, and it also points toward a higher vision of our human purpose that is both evolutionary and collective. Bourgeault explores both aspects of imaginal reality and shows readers how we can cooperate more fully with its guidance in our lives. Expertly blending her own lived experiences with research on the imaginal realm, Bourgeault explores how her personal relationships have helped to bring these teachings into sharper focus and the role this realm plays in Christian and other mystical traditions. She delves into the connections between our inner consciousness and what happens in the world, exploring the transformative

energy and governing conventions that make the manifestation of this realm possible. Eye of the Heart presents Bourgeault's spiritual journey with the imaginal realm and encourages readers to attune their hearts for the well-being of the world.

The Red Coat Dolley Carlson, 2018-10-23 Think Downton Abbey, set in the heart of Boston Irish domestic worker Norah King's decision to ask her wealthy employer, Caroline Parker, for an elegant red coat that the Beacon Hill matriarch has marked for donation ignites a series of events that neither woman could have fathomed. The unlikely exchange will impact their respective daughters and families for generations to come, from the coat's original owner, marriage-minded collegian Cordelia Parker, to the determined

and spirited King sisters of South Boston, Rosemary, Kay, and Rita. As all of these young women experience the realities of life – love and loss, conflict and joy, class prejudices and unexpected prospects – the red coat reveals the distinction between cultures, generations, and landscapes in Boston during the 1940s and 50s, a time of change, challenge, and opportunity. Meet the proud, working-class Irish and staid, upper-class Brahmins through the contrasting lives of these two families and their friends and neighbors. See how the Parkers and the Kings each overcome sudden tragedy with resolve and triumph. And witness the profound impact of a mother's heart on her children's souls. Carlson brings us front and center with her knowing weave of Celtic passion – both tragic and joyful – words of wisdom, romance, humor, and historical events. Dive into Boston feet first! The Red Coat is a rich novel that chronicles the legacy of Boston from both sides of the city, Southie and the Hill.
