Helen Levitt, James Oles

Landless Households in Rural Europe, 1600-1900 Christine Fertig, Richard Paping, Henry French, 2022-07-19 First comparative study of landless households brings out their major role in European history and society.

The Hadley Werewolves Shawntelle Madison, 2013-11-25 Something deadly is coming for the werewolves who live in the desert town of Hadley... BITTEN BY DECEIT Alpha wolf Emma Parker is loyal to a fault, even if it means losing the love of her life when he's ousted from the pack. She's never stopped needing him, and when a black witch curses the pack, she wonders if she'll even survive. It's a poison of the blood, and with each bite, the virus spreads, leaving the infected rabid and under the control of an evil Alpha. Kyle Benton is starting over. He's a lone wolf, betrayed by the only woman he's ever loved. Until Emma barges back into his life, as gorgeous and determined as ever. He's hell bent on resisting her, or at least making her suffer. But she needs him in a way that touches him to his very soul. Now he has to determine how to set her free, and if he can, how he can ever let her go. BITTEN BY TREACHERY It's not like Charly the witch wanted to betray the Hadley werewolves. Or infiltrate the pack. But it's the only way to save her mother and protect her coven from a dark evil. She's a witch in wolf's clothing - until an unfortunate bite forces her to become the one thing she detests the most. The last time a witch came to Hadley, she almost destroyed Trenton's pack. He won't let it happen again, especially now that this lone wolf is feeling so drawn to a certain new girl in town. Charly is the most intriguing woman he's ever met, and he wants to know all about her. The passion between Charly and Trenton shocks them both, but can she trust him with her secret...and her heart? One thing is for certain: she has to tell him the truth soon - before it brings about the end of both Trenton and the innocent citizens of Hadley. BITTEN BY VENGEANCE Cursed witch Nevena wants nothing more than to destroy the dark evil that has escaped her coven's compound. She's outgunned and on her own--until a band of werewolves from Hadley join in the fight. Drew is a cop bent on protecting his pack. Hadley has been attacked again, leaving him bitter and determined to do what's right. He will help the witches bring down what drove them to Hadley, but he refuses to get close to them...Until the curse on Nevena sucks him in. Drew discovers what its like to love when Nevena traps both his heart and his soul. But he may lose them both in order to bring down the dark evil determined to destroy everything in its path.

Rent 2 Rent Success Stephanie Taylor, 2021-02-05 Want to get started in property but worry you don't have enough money, time or experience? Stephanie and Nicky Taylor were there too. These dynamic sisters were working too hard, for too many hours. They wanted the time, freedom and options that property seemed to provide others, but they didn't know how to start and couldn't see anyone like them doing it. Since then, they have gone from financial uncertainty to building their own multi-million pound portfolio and creating an award-winning property business, HMO Heaven. Their unique Rent 2 Rent Success System will enable you to get started in property in a simple, ethical and low-risk way with little capital outlay. Their proven system has been used by hundreds of people across the country and has featured in publications, such as Entrepreneur magazine, The Telegraph and Property Investor Today. This book will: - Guide you right through the whole process, from getting into the right mindset to get started through to building and scaling up your portfolio - Reveal the 6 key areas you need to get right for rent to rent success - Share a proven, practical system that gets results, removes the stress and ensures you avoid expensive newcomer's mistakes If you're ready to become a gamechanger, join Stephanie and Nicky and get started on your property journey.

Silicon Values Jillian C. York, 2021-03-23 The battle for online rights and for the future of democracy Who decides what is permissible on the internet: Politicians? Mark Zuckerberg? Users? Who determines when political debate becomes hate speech? How does this impact our identity or our ability to create communities and to protest? Silicon Values reports on the war for digital rights and how major corporations—Facebook, Twitter, Google and Tiktok—threaten democracy as they harvest our personal data in the pursuit of profit.
