Essentials of Dental Photography Irfan Ahmad,2019-12-31 An accessible, one-stop guide to getting the most out of dental photography in clinical practice Dental photography is an increasingly important part of dental care in general practices, hospitals, and specialist clinics. The uses of dental photographs are numerous, such as monitoring treatment outcomes, educating patients, promoting services, and providing evidence for litigation or regulatory purposes. Essentials of Dental Photography is a user-friendly guide to incorporating dental photographs into daily practice. Containing real-world advice and proven techniques, this book helps clinicians understand and apply the fundamental principles of dental photography. Accessible chapters cover every major aspect of dental photography and answer the most common questions asked by clinicians. Step-by-step instructions show readers how to select the correct photographic and dental equipment, setup equipment for a variety of dental procedures, process images using photo-editing software, and more. The author, a recognised expert in the field, explain the basic concepts of dental photography and how to create high-quality, predictable and repeatable images. Providing an easy-to-follow roadmap to exceptional dental photographs, this practical guide: Covers all the basic concepts, equipment, and techniques of dental photography Illustrates the photographic setups for both intra- and extra-oral images Provides recommendations for appropriate types of cameras, lenses, flashes, reflectors, tripods, and software Discusses photographic archiving, electronic dissemination, printing, publishing, and presenting images Essentials of Dental Photography is a valuable guide for dental practitioners and new graduates looking to learn dental photography and apply it in practice.

Coding with Confidence for CDT 2021 Charles Blair,2021 This manual provides expert assistance to practice staff who find it difficult to keep up with the frequent changes, revisions, and deletions in dentistry's CDT codes. Reader-friendly graphics help dental practices prevent common coding errors and understand common reimbursement policies.

CDT 2018 American Dental Association,2017-09-05 Provides updated CDT 2018 codes, as developed by the ADA, the official source for CDT codes and the only HIPAA-recognized code set for dentistry. Includes 18 new codes, 16 revised codes, and 3 deleted codes. Features the addition of codes relating to tele-dentistry; new codes for point of service testing for diabetes; new prosthodontics codes with more specific language for the type of prosthesis being placed; changes to anesthesia codes to more accurately describe the services delivered to a patient. Two-color text.

CDT 2019 American Dental Association,2018-08-29 CDT 2019: Dental Procedure Codes, developed and published by the American Dental Association, is the most up-to-date coding resource and only HIPAA-recognized code set for dentistry. The new 2019 edition includes 15 new codes, 5 revised codes, and 4 deleted codes. Changes include delivery of non-opioid drugs for pain management, measuring and documenting glucose levels just prior to a procedure, use of translation services, and more. This resource is critical for keeping current and submitting accurate dental insurance claims for reimbursement. Organized into twelve categories of service with two-color text and spiralbinding for easy reference. Purchase of the book includes access to the ADA's coding hotline.

The Little Blue Kite Mark Z. Danielewski,2019-11-05 We all have fears, but if we can't face the small ones how will we face the big ones? Kai is afraid to fly a little blue kite. But Kai is also very, very brave, and overcoming this small fear will lead him on a great adventure. Remember: all great adventures start with one little moment. You know the one. It's like a gentle breeze whispering in your ear what you already know by heart: not even the sky is the limit . . . The only other thing you might want to know about this book is that there are at least three ways to read it. The first way takes only a few minutes. Just follow the rainbow-colored words. The second takes only a little bit longer. Just follow the words haloed with blue and red and the rainbow words too. For the third way, just start at the beginning.
