The Confession of St. Patrick Saint Patrick, 2015-08-17 In this book St. Patrick testifies to us of his conversion, trials, and tribulations in seeking, surrendering, and suffering for Christ. Even though most of us do not dare attempt to aspire to reach the heights of St. Patrick, it is important to realize that God made each and every person an individual - not to be like another - but rather to be like Christ. He made each person unique and endows each of us with different gifts and graces. This is why we study and admire other followers of Christ but we are not to try to be exactly like another. In growing in virtue - yes. But God has a very specific wills and assignments for each of us. Nevertheless it is helpful to study and reflect on the virtues of others like St. Patrick.
