The Posy Book: Garden-Inspired Bouquets That Tell a Story Teresa H. Sabankaya,2019-05-07 “Like a favorite recipe, a posy is meant to be savored and shared. Try it yourself, and ... welcome a bit of floral enchantment into your life.” —Amy Stewart, author of *The Drunken Botanist* Inspired by the Victorian-era language of flowers, a posy is a small, round bouquet of flowers, herbs, and plants meant to convey a message, such as dahlias for gratitude, sunflowers for adoration, or thyme for bravery. These floral poems have become Teresa Sabankaya’s signature. Brides want them for their weddings, but a posy is a lovely gift any time of year, and one that readers can easily put together from their garden or with blooms from their local florist. In *The Posy Book*, Sabankaya shares step-by-step instructions, floral recipes for more than 20 posies, and ideas for seasonal variations. A modern floral dictionary, with 12 original paintings by celebrated illustrator Maryjo Koch, will help readers craft their own posies filled with personal meaning.

Floral Design for Weddings Linda Kevich,2016-04-13 This is the first unit of the twelve-unit Wedding Floral Design Course by the prestigious International Institute of Weddings(tm). If you like what you learn in this Unit and decide to continue on to the other units that follow this one, upon successful completion of the course, you'll earn your certificate in Wedding Floral Design from The International Institute of Weddings(tm). You'll then know all there is to know to design flower arrangements for weddings, and will have learned the proper professional techniques and methods for designing: wedding bouquets, boutonnieres, corsages, flower girl arrangements, centerpieces, reception decorations; plus church and ceremony flowers like pew markers, altar arrangements - and still so much more.Students of Any Age - No Previous Flower Arranging or Floral Design Experience NeededThe Wedding Floral Design Course by the International Institute of Weddings(tm) is a highly specialized course focusing exclusively on wedding floral design. No funeral flowers or hospital arrangements like the lessons in so many other floral design courses - instead, we'll focus intensively on designing flowers for weddings - and only weddings. After all, weddings are where the glamour and excitement is! And If you'd like to turn your floral design skills into a business, career, or even just income in your spare time, weddings are DEFINITELY where the money is.In this unit we take you through a fascinating introduction to the exciting world of wedding floral design and flower arranging. Before you can dive into designing flowers for weddings, you need to have a good, well-rounded understanding of the field of wedding floral design so that you come across as knowledgeable and competent when working with bridal clients, prospective employers and other wedding vendors. The background knowledge you'll learn in this unit will not only be interesting and fun to learn, it will lay a solid foundation for the design lessons that are to follow in the subsequent units of the course (sold separately). Moreover, what you learn in this unit will increase your level of expertise and set you apart as a true professional as you go forward, as opposed to an amateur with no foundational knowledge to draw upon.If you're intrigued or excited by the idea of earning your certificate as a Wedding Floral Designer, this first unit of the course is a good place to start. It'll give you a good idea of whether this is something you really want to pursue.Satisfied Students All Over the World I tried to find wedding floral design classes in my local area and all the classes were so expensive, most didn't even focus on wedding flowers which is really where my interest is, plus I didn't like the scheduling for those local wedding floral design classes. Learning from home has been great. In the end I'm really glad I took this home study wedding floral design course. I would have had to take numerous classes at much greater expense to learn what I've learned through this wedding floral design course. -

Anabella Martinez, Dallas, Texas Students who complete all units will master all the necessary skills, methods and professional techniques to design beautiful flowers for weddings. This is Unit 1 of the course. The complete course is divided into 12 individual units to give you a very thorough and fully comprehensive understanding and working knowledge of wedding floral design. Each unit lays the foundation for what you will learn in the units that follow. Think of each unit as an individual floral design class in itself. This first unit gives you the opportunity to sample the course material. If you are excited by what you learn here in Unit 1, you will find details in the manual, as well as a special offer, to enroll in the complete program if you want to go all the way and earn your certification as a Wedding Floral Designer.
