The Journey Continues: from Groaning to Dancing Richard Jones,2022-01-24 It is a pure pleasure for me to be writing again. Fourteen years of being involved in teaching and school administration have claimed most of my hours and focus. My desire to write turned into thoughts of “someday...” or “next year I’m gonna...”. With departure from the business of the classroom, I once again have the freedom to commit myself to putting pen to paper (or I should say, “fingers to keyboard”). William Faulkner wrote, “It is the writer’s privilege to help man endure by lifting his heart.” That is my desire, and I appreciate your allowing me to be a small part of the “heart-lifting” process in your life. Since my last project, I have had several requests to write a sequel, a second prayer devotional. A discussion with my late father ended with a commitment to do so. It is with pleasure that I honor that commitment. Much of what I write is never seen by anyone but the Lord and me, but written words can live on as long as there are readers to see them. Michael Straczynski called it “immortality by proxy.”

*Can You Be a Catholic and a Feminist?* Julie Hanlon Rubio,2024-03-15 An eminent theologian addresses an enduring--but newly urgent--question Is it possible to be both a faithful Catholic and an avowed feminist? Earlier generations of feminists first formulated answers to this question in the 1970s. Their views are still broadly held, but with increasing tentativeness and a growing sense of their inadequacy. Even now, Catholic women and men still say, It's my Church and I'm not leaving, Change will only happen if people like me stay and fight, and The Church's work for social justice is more important than the issues that concern me as a feminist. Yet in a post-#MeToo, #ChurchToo moment, when the Church seems disconnected from struggles for racial justice and LGBTQ inclusion, those answers sound increasingly insufficient. Today, tensions between Catholicism and feminism are more visible and ties to Catholic communities are increasingly weak. Can Catholic feminism survive? Julie Hanlon Rubio argues that it can. But if it is going to do so, it is necessary to rethink how women and men who experience the pull of feminism and Catholicism can credibly claim both identities. In *Can You Be a Catholic and a Feminist?* Rubio argues that Catholic feminist identity is only tenable if we frankly acknowledge tensions between Catholicism and feminism, bring forward shared concerns, and embrace the future with ambiguity and creativity. Rubio explores the potential for synergy and dialogue between Catholics and feminists through various lenses, including sexual violence, gender theory, pregnancy and pre-natal loss, work-life balance, relationships and family life, spirituality, conscience, and what it means to be human. This book gives those who struggle to balance Catholicism and feminism a credible path to authentic belonging.

*Any Given Monday ...: An Urban Educator's Journey* Mokysa Benford, Ed.D.,2017-11-20 How can we do school differently? Mokysa Benford, Ed.D., seeks to answer that question and others in this deeply personal collection of vignettes highlighting the lessons she's learned in various roles at school--ranging from substitute teaching to building principal. She explores the myriad problems that show up at school on any given day. These issues go far beyond teaching reading, writing, and arithmetic, and many educators have no clue how to deal with them. For instance, how do you handle students throwing desks and chairs, running out of school and into traffic, elementary school children engaging in sexual acts, and helping fifth-grade students pass an assessment when they don't know the alphabet? There are no easy answers, but success begins by focusing on more than academic subjects and giving freely of yourself on Any Given Monday.

**Triumphant Surrender** Tony Green,2023-02-09 Search the internet! The words triumphant and surrender are not typically found together. After all, winners triumph, and losers surrender, right? In the worldaEUR(tm)s eyes, that is certainly right. Yet from a kingdom perspective, triumphant and surrender are a perfect match. The pivotal point of surrender to GodaEUR(tm)s plan for our lives occurs when we admit that our ways and thoughts are undeniably subordinate to GodaEUR(tm)s ways and thoughts. Once that happens, God uses the gospel of Jesus Christ, the transforming work of the Holy Spirit, and the profound truths of the Bible to orchestrate a magnificent triumph in us and through us.This is a story of the dramatic events in one manaEUR(tm)s life. These pages reveal what can happen when we walk in harmony with God versus the startling contrasts of what can happen when we thumb our nose at God. Can any of us imagine what might have happened in the Garden of Gethsemane had Jesus said, aEURoeNot thy will, Father, but mine be done!aEUR Hell would have cackled with glee for far longer than just three days. In a lonely hotel room one night in Hamburg, Germany, as anger against God heightened, this Spirit-fueled discourse was born, destined to help the hurting, offer clarity to the confused, and spark hope in the hopeless.What do you believe? Is triumphant living about trying harder, or might it be about believing bigger and surrendering deeper? What do you think GodaEUR(tm)s will for your life is? Do you know what His call upon your life is? Have you consistently succeeded in filling the God-shaped hole in your heart? Does your identity bring you peace and joy, pride and accomplishment, or shame and defeat? Would you like your life to be transformed like a butterfly in a cocoon? Do you believe living triumphantly in Christ can be your reality?This memoir of one manaEUR(tm)s testimony, interwoven with hundreds of scriptures, is written in easy-to-understand prose that sheds light on each one of these profound questions. May these pages forever alter the course of your life and lead you to your own Triumphant Surrender.

Divided into eight themes central to the Christian faith—such as hope, joy, surrender, and rest—these 40 devotions draw from the writings of a number of bestselling and beloved authors of faith, including C.S. Lewis, Dietrich Bonhoeffer, Martin Luther King Jr., Louie Giglio, Jennie Allen, Mark Batterson, Brennan Manning, Randy Alcorn, and more. Partnered with daily Scripture reading, thought-provoking journal prompts, and practical action steps to encourage you toward a more intentional faith lifestyle, this 40-day resource is the ideal companion for walking through the seasons of Lent and Advent, as well as for use in personal or group study.

**Blessed Life** Kim Fields,2017-11-14 From Facts of Life to Living Single to Dancing with the Stars to wife and mom, here's the Blessed Life of Kim Fields, veteran actress, TV personality, and star. Kim Fields has lived most of her life with people thinking they know her, which is understandable. From her first job on a Mrs. Butterworth syrup commercial at age 7, she has spent 40 years in the public eye. There were 9 years as Dorothy Tootie Ramsey on the classic sitcom The Facts of Life, 5 more in her 20s starring as Regine Hunter on the seminal coming-of-age show Living Single, and most recently appearing as herself on Real Housewives of Atlanta and Dancing with the Stars. Behind the camera, she has directed episodes of Kenan & Kel, Tyler Perry's Meet the Browns and House of Payne, and BET's Let's Stay Together. Between gigs, the pop culture icon's life has included theater, spoken word, music, speaking engagements, and simply being present to the point that she cannot go a day without someone stopping her to say, When I was a kid, I wanted to be Tootie or You were my role model. Flattered and blessed, after four decades in the business, Kim finally understands the role she has played onscreen and off as a successful, outspoken African-American woman. However, for as much as she's been in the public eye, people have really never known her the way they think they have, and that's because she, herself, spent most of her life figuring herself out. Now, at age 48, she is ready to set the record straight. She says, It's not that I've been misunderstood. It's that I finally feel like I understand me enough to tell the life story that I've been asked to write for years. It will be a chronicle of living, learning, and keen moments of self-discovery as she's journeyed through the many facets and chapters of life. Fields found faith at age 14 and has found God to be right there every step of the way since then.
