Lighter Than My Shadow Katie Green,2013-10-11 A poignant, heart-lifting graphic memoir about anorexia, eating disorders and the journey to recovery Like most kids, Katie was a picky eater. She'd sit at the table in silent protest, hide uneaten toast in her bedroom, listen to parental threats that she'd have to eat it for breakfast. But in any life a set of circumstance can collide, and normal behaviour might soon shade into something sinister, something deadly. *Lighter Than My Shadow* is a hand-drawn story of struggle and recovery, a trip into the black heart of a taboo illness, an exposure of those who are so weak as to prey on the vulnerable, and an inspiration to anybody who believes in the human power to endure towards happiness. 'Even at its most heartbreaking it never feels sombre ... Inspiring, plucky and, in the end, consoling, it's hard to put down' Observer

The Shadow Donna Diamond,2010-07-13 A wordless picture book in which a young girl comes home and begins to draw in her bedroom, slowly realizes that a frightening shadow has followed her, and decides how to respond.

Lighter Than Air Matthew Clark Smith,2018-10 Behold the story of Sophie Blanchard, an extraordinary woman who is largely forgotten despite her claim to being the very first female pilot in history. In eighteenth-century France balloomania has fiercely gripped the nation ... but all of the pioneering aeronauts are men. The job of shattering that myth falls to a most unlikely figure: a shy girl from a seaside village, entirely devoted to her dream of flight. Sophie is not the first woman to ascend in a balloon, nor the first woman to accompany an aeronaut on a trip, but she will become the first woman to climb to the clouds and steer her own course. The words of Matthew Clark Smith bring Sophie's story to light after so many years, while Matt Tavares' atmospheric art and unique perspectives take her to new heights.

Ink in Water Lacy J. Davis, Jim Kettner, 2017-10 “An incredibly important, extremely relatable memoir about learning to love the hardest person of all: yourself.” —Liz Prince, author of *Tomboy* Compelling, funny, occasionally heartbreaking, and full of genuine hope in ways that most graphic memoirs never achieve artistically. ... Don't miss this one. —Library Journal Starred Review At once punk rock and poignant, *Ink in Water* is the visceral and groundbreaking graphic memoir of a young woman's devastating struggle with negative body image and eating disorders, and how she rose above her own destructive behaviors and feelings of inadequacy to live a life of strength and empowerment. As a young artist living in Portland, Lacy Davis's eating disorder began with the germ of an idea: a seed of a thought that told her she just wasn't good enough. And like ink in water, that idea spread until it reached every corner of her being. This is the true story of Lacy's journey into the self-destructive world of multiple eating disorders. It starts with a young and positive Lacy, trying to grapple with our culture's body-image obsession and stay true to her riot grrrl roots. And while she initially succeeds in overcoming a nagging rumination about her body, a breakup with a recovering addict starts her on a collision course with anorexia, health food obsession, and compulsive exercise addiction. At the request of her last real friend, she starts going to a twelve-step Overeaters Anonymous course, only to find that it conflicts with her punk feminist ideology. Blending bold humor, a healthy dose of self-deprecation, vulnerability, literary storytelling, and dynamic and provocative artwork by illustrator Jim Kettner, *Ink in Water* is an unflinching, brutally honest look into the author's mind: how she learned to take control of her damaging thoughts, redirect her perfectionism from self-destructive behaviors into writing and art, and how she committed herself to a life of health, strength, and nourishment.

Shadow Walkers Brent Hartinger, 2011-02-08 Trying astral projection is just a joke. Zach never expects to leave his body and soar into a strange shadow place. On his first trip, he meets Emory, another astral traveler who's intriguing (and cute). Then Zach's little brother Gilbert disappears. Zach and Emory try to rescue Gilbert, but there's a menacing creature in their way.

Plain Kate Erin Bow, 2010-09-01 A debut novel that's as sharp as a knife's point. Plain Kate lives in a world of superstitions and curses, where a song can heal a wound and a shadow can work deep magic. As the wood-carver's daughter, Kate held a carving knife before a spoon, and her wooden charms are so fine that some even call her witch-blade -- a dangerous nickname in a town where

witches are hunted and burned in the square.

Secure the Shadow Claudia Emerson,2012-02-15 Daringly realistic and artfully mediated by past and present, Claudia Emerson's *Secure the Shadow* contains historical pieces as well as poems centering on the deaths of the poet's brother and father. Emerson covers all aspects of the tragedies that, as Keats believed, contribute to our human collective of Soul-making, in which each death accrues into an immortal web of ongoing love and meaning for the living. Emerson's unwavering gaze shows that loss cannot be eluded, but can be embraced in elegies as devastating as they are beautiful. The macabre title poem refers to the old custom of making daguerreotypes, primitive photographs, of deceased loved ones. Other striking poems describe animal deaths -- mysterious calf killings, a hog slaughter, the burial of a dead jay, identifiable / but light, dry, its eyes vacant orbits. Death, as the speaker's heart and mind instruct her, exists in a shadow world. When the body disappears, the shadow also flees. By securing the shadow, the poet finds a representation of the dead's soul, a soul always linked to the body. Hence, Emerson's attention to the minute details of the body's repose -- reflected in the long, related sequence of refrained poems -- never allows its memory to fade.

Color and Light James Gurney,2010-11-30 Unlike many other art books only give recipes for mixing colors or describe step-by-step painting techniques, *Color and Light* answers the questions that realist painters continually ask, such as: What happens with sky colors at sunset?, How do colors change with distance?, and What makes a form look three-dimensional? Author James Gurney draws on his experience as a plain-air painter and science illustrator to share a wealth of information about the realist painter's most fundamental tools: color and light. He bridges the gap between abstract theory and practical knowledge for traditional and digital artists of all levels of experience.

Tyranny Lesley Fairfield,2009-10-13 In Tyranny, brisk, spare text and illustrations that deal head-on with anorexia propel the reader along on Anna's journey as she falls prey to the eating disorder, personified as her tormentor, Tyranny. The novel starts with a single question: "How did I get here?" The answer lies in the pages that follow, and it's far from simple. Pressured by media, friends,

the workplace, personal relationships, and fashion trends, Anna descends into a seemingly unending cycle of misery. And whenever she tries to climb out of the abyss, her own personal demon, Tyranny, is there to push her back in. The contest seems uneven, and it might be except for one thing: Anna's strength of character has given rise to her deadly enemy. Ironically, it is that same strength of character that has the ultimate power to save her from the ravages of Tyranny. Brilliantly and realistically presented, Tyranny is a must-read for anyone looking for a better understanding of eating disorders and for everyone looking for a compelling page-turner that is truly a story of triumph and hope.
