I Am Malala Malala Yousafzai,2013-10-08 A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman I come from a country that was created at midnight. When I almost died it was just after midday. When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

I Am Malala Malala Yousafzai,Patricia McCormick,2014-08-19 The bestselling memoir by Nobel Peace Prize winner Malala Yousafzai. I Am Malala. This is my story. They said girls couldn't go to school. Raised in a once-peaceful area of Pakistan transformed by terrorism, Malala was taught to stand up for what she believes. So she fought for her right to be educated. And on October 9, 2012, she nearly lost her life for the cause: She was shot point-blank while riding the bus on her way home from school. No one expected her to survive. Now Malala is an international symbol of peaceful protest and the youngest ever

Nobel Peace Prize winner. Malala Speaks Out Clara Fons Duocastella,2023-04-04 Malala Yousafzai was denied education when the Taliban took control of her town in Pakistan. She decided to speak up, despite the danger it put her in. Her story is the story of many girls. When Malala was fifteen years old, she was attacked by the Taliban for defending girls' rights to education. She survived and recovered to become a world leader in education rights. In 2014, at the age of seventeen, she was the youngest person to be awarded the Nobel Peace Prize. This is her acceptance speech, in which Malala tells her story — the story of 66 million girls around the world deprived of education. Malala entreats her fellow children to decide to be the last generation “that sees empty classrooms, lost childhoods and wasted potentials.” Her speech is strikingly illustrated and followed by an analysis written by Clara Fons Duocastella that provides context about Malala’s early life in Swat Valley, Pakistan, and examines what makes her call to action so powerful. The Speak Out series publishes the most inspiring speeches of our times, then deconstructs them to give young readers a deeper understanding of global issues and the power of language to influence them.
