

# **The President S Book Of Secrets The Untold Story**

**Paul Kengor**

**The President's Book of Secrets** David Priess,2016-03-01 Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

**How to Get Rid of a President** David Priess,2018-11-13 A vivid political history of the schemes, plots, maneuvers, and conspiracies that have attempted -- successfully and not -- to remove unwanted presidents To limit executive power, the founding fathers created fixed presidential terms of four years, giving voters regular opportunities to remove their leaders. Even so, Americans have often resorted to more dramatic paths to disempower the chief executive. The American presidency has seen it all, from rejecting a sitting president's renomination bid and undermining their authority in office to the more drastic methods of impeachment, and, most brutal of all, assassination. How to Get Rid of a President showcases the political dark arts in action: a stew of election dramas, national tragedies, and presidential departures mixed with party intrigue, personal betrayal, and backroom shenanigans. This briskly paced, darkly humorous voyage proves that while the pomp and circumstance of presidential elections might draw more attention, the way that presidents are removed teaches us much more about our political order.

**The President's Book of Secrets** ,2016 This is a Summary of The President's Book of Secrets: The Untold Story of Intelligence Briefings to America's Presidents from Kennedy to Obama Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply the Book. Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 400 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This summary is intended to be used with reference to the original book.

**In the President's Secret Service** Ronald Kessler,2010-08-03 After conducting exclusive interviews with more than one hundred current and former Secret Service agents, bestselling author and award-winning reporter Ronald Kessler reveals their secrets for the first time. Never before has a journalist penetrated the wall of secrecy that surrounds the U.S. Secret Service, that elite corps of agents who pledge to take a bullet to protect the president and his family. Kessler portrays the dangers that agents face and how they carry out their missions--from how they are trained to how they spot and assess potential threats. With fly-on-the-wall perspective, he captures the drama and tension that characterize agents' lives and reveals what they have seen, providing startling, previously untold stories about the presidents, from John F. Kennedy and Lyndon Johnson to George W. Bush and Barack Obama, as well as about their families, Cabinet officers, and White House aides.

**Presidential Command** Peter W. Rodman,2009-01-06 An official in the Nixon, Ford, Reagan, and both Bush administrations, Peter W. Rodman draws on his firsthand knowledge of the Oval Office to explore the foreign-policy leadership of every president from Nixon to George W. Bush. This riveting and informative book about the inner workings of our government is rich with anecdotes and fly-on-the-wall portraits of presidents and their closest advisors. It is essential reading for historians, political junkies, and for anyone in charge of managing a large organization.

**A Pope and a President** Paul Kengor,2023-07-18 Even as historians credit Ronald Reagan and Pope John Paul II with hastening the end of the Cold War, they have failed to recognize the depth or significance of the bond that developed between the two leaders. Acclaimed scholar and bestselling author Paul Kengor changes that. In this fascinating book, he reveals a singular bond—which included a spiritual connection between the Catholic pope and the Protestant president—that drove the two men to confront what they knew to be the great evil of the twentieth century: Soviet communism. Reagan and John Paul II almost didn't have the opportunity to forge this relationship: just six weeks apart in the spring of 1981, they took bullets from would-be assassins. But their strikingly similar near-death experiences brought them close together—to Moscow's dismay. Based on Kengor's tireless archival digging and his unique access to Reagan insiders, *A Pope and a President* is full of revelations. It takes you inside private meetings between Reagan and John Paul II and into the Oval Office, the Vatican, the CIA, the Kremlin, and many points beyond. Nancy Reagan called John Paul II her husband's closest friend; Reagan himself told Polish visitors that the pope was his best friend. When you read this book, you will understand why. As kindred spirits, Ronald Reagan and John Paul II united in pursuit of a supreme objective—and in doing so they changed history.

**Summary the President's Book of Secrets** Ant Hive Media,2016-11-06 This is a Summary of The President's Book of Secrets: The Untold Story of Intelligence Briefings to America's Presidents from Kennedy to Obama Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply the Book. Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents

the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time. Available in a variety of formats, this summary is aimed for those who want to capture the gist of the book but don't have the current time to devour all 400 pages. You get the main summary along with all of the benefits and lessons the actual book has to offer. This summary is intended to be used with reference to the original book.

***Necessary Secrets: National Security, the Media, and the Rule of Law*** Gabriel Schoenfeld, 2011-05-23 An intensely controversial scrutiny of American democracy's fundamental tension between the competing imperatives of security and openness.

***The Last of the President's Men*** Bob Woodward, 2016-10-11 Woodward exposes one of the final pieces of the Richard Nixon puzzle, examining the untold story of Alexander Butterfield, the Nixon aide who disclosed the secret White House taping system that changed history and led to Nixon's resignation. In forty-six hours of interviews with Butterfield, supported by thousands of documents, many of them original and not in the presidential archives and libraries, Woodward has uncovered new dimensions of Nixon's secrets, obsessions, and deceptions.

***The Secret Sentry*** Matthew M. Aid, 2010-06-08 Presents a history of the agency, from its inception in 1945, to its role in the Cold War, to its controversial advisory position at the time of the Bush administration's search for weapons of mass destruction in Iraq, shortly before the invasion of 2003.

***Presidents' Secrets*** Mary Graham, 2017-01-01 Ever since the nation's most important secret meeting--the Constitutional Convention--presidents have struggled to balance open, accountable government with necessary secrecy in military affairs and negotiations. For the first one hundred and twenty years, a culture of open government persisted, but new threats and technology have long since shattered the old bargains. Today, presidents neither protect vital information nor provide the open debate Americans expect.

***The Secret War for the Union*** Edwin C. Fishel, 2014-07-01 "A treasure trove for historians . . . A real addition to Civil War history" (Kirkus Reviews, starred review). At the end of the American Civil War, most of the intelligence records disappeared—remaining hidden for over a century. As a result, little has been understood about the role of espionage and other intelligence sources, from balloonists to signalmen with their telescopes. When, at the National Archives, Edwin C. Fishel discovered long-forgotten documents—the operational files of the Army of the Potomac's Bureau of Military Information—he had the makings of this, the first book to thoroughly and authentically examine the impact of intelligence on the Civil War, providing a new perspective on this period in history. Drawing on these papers as well as over a thousand pages of reports by General McClellan's intelligence chief, the detective Allan Pinkerton, and other information, he created an account of the Civil War that "breaks much new ground" (The New York Times). "The former chief intelligence reporter for the National Security Agency brings his professional expertise to bear in this detailed analysis, which makes a notable contribution to Civil War literature as the first major study to present the war's campaigns from an intelligence perspective. Focusing on intelligence work in the eastern theater, 1861–1863, Fishel plays down the role of individual agents like James Longstreet's famous 'scout,' Henry Harrison, concentrating instead on the increasingly sophisticated development of intelligence systems by both sides. . . . Expertly written, organized and researched." —Publishers Weekly "Fundamentally changes our picture of the secret service in the Civil War." —The Washington Post

***Blinking Red*** Michael Allen, 2013-09-30 After the September 11 attacks, the 9/11 Commission argued that the United States needed a powerful leader, a spymaster, to forge the scattered intelligence bureaucracies into a singular enterprise to vanquish America's new enemies—stateless international terrorists. In the midst of the 2004 presidential election, Congress and the president remade the post-World War II national security infrastructure in less than five months, creating the Office of the Director of National Intelligence (DNI) and a National Counterterrorism Center (NCTC). *Blinking Red* illuminates the complicated history of the bureaucratic efforts to reform America's national security after the intelligence failures of 9/11 and Iraq's missing weapons of mass destruction, explaining how the NSC and Congress shaped the U.S. response to the 9/11 attacks. Michael Allen asserts that the process of creating the DNI position and the NCTC is a case study in power politics and institutional reform. By bringing to light the legislative transactions and political wrangling during the reform of the intelligence community, Allen helps us understand why the effectiveness of these institutional changes is still in question.

***The Haunting of the Presidents*** Joel Martin, William J. Birnes, 2010-02-10 The history of paranormal phenomena in the presidential residence is revealed for the first time in a fascinating exploration of the country's most famous portal to the unknown.

***The First Conspiracy*** Brad Meltzer, Josh Mensch, 2019-01-08 Taking place during the most critical period of our nation's birth, *The First Conspiracy* tells a remarkable and previously untold piece of American history that not only reveals George Washington's character, but also illuminates the origins of America's counterintelligence movement that led to the modern day CIA. In 1776, an elite group of soldiers were handpicked to serve as George Washington's bodyguards. Washington trusted them; relied on them. But unbeknownst to Washington, some of them were part of a treasonous plan. In the months leading up to the Revolutionary War, these traitorous soldiers, along with the Governor of New York, William Tryon, and Mayor David Mathews, launched a deadly plot against the most important member of the military: George Washington himself. This is the story of the secret plot and how it was revealed. It is a story of leaders, liars, counterfeiters, and jailhouse confessors. It also shows just how hard the battle was for George Washington and how close America was to losing the Revolutionary War. In this historical page-turner, New York Times bestselling author Brad Meltzer teams up with American history writer and documentary television producer, Josh Mensch to unravel the shocking true story behind what has previously been a footnote in the pages of history. Drawing on extensive research, Meltzer and Mensch capture in riveting detail how George Washington not only defeated the most powerful military force in the world, but also uncovered the secret plot against him in the tumultuous days leading up to July 4, 1776. Praise for *The First Conspiracy*: This is American history at its finest, a gripping story of spies, killers, counterfeiters, traitors?and a mysterious prostitute who may or may not have even existed. Anyone with an interest in American history will love this book. —Douglas Preston, #1 bestselling author of *The Lost City of the Monkey God* "A wonderful book about leadership?and it shows why George Washington and his moral lessons are just as vital today. What a book. You'll love it." —President George H.W. Bush "This is an important book: a fascinating largely unknown chapter of our hazardous beginning, a reminder of why counterintelligence matters, and a great read." —President Bill Clinton

***The Girls of Atomic City*** Denise Kiernan, 2014-03-11 Looks at the contributions of the thousands of women who worked at a secret uranium-enriching facility in Oak Ridge, Tennessee during World War II.

***The First Family Detail*** Ronald Kessler, 2015-07-28 NEW YORK TIMES BESTSELLER • "Ron Kessler appears to get everything first."—Slate As in a play, presidents, vice presidents, and presidential candidates perform onstage for the public and the media. What the nation's leaders are really like and what goes on behind the scenes remain hidden. Secret Service agents have a front-row seat on their private lives and those of their wives and children. Crammed with new headline-making revelations, *The First Family Detail* by New York Times bestselling author Ronald Kessler tells that eye-opening, uncensored story. *The First Family Detail* reveals: • Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade, potentially leaving the country unable to retaliate in the event of a nuclear attack. • Secret Service agents discovered that former

president Bill Clinton has a blond mistress—code-named Energizer by agents—who lives near the Clintons' home in Chappaqua, New York. • The Secret Service covered up the fact that President Ronald Reagan's White House staff overruled the agency to let unscreened spectators get close to Reagan as he left the Washington Hilton, allowing John W. Hinckley Jr. to shoot the president. • Because Hillary Clinton is so nasty to agents, being assigned to her protective detail is considered a form of punishment and the worst assignment in the Secret Service. "Kessler's such a skilled storyteller, you almost forget this is dead-serious nonfiction."—Newsweek

*Cheney* Stephen F. Hayes, 2009-10-13 During a forty-year career in politics, Vice President Dick Cheney has been involved in some of the most consequential decisions in recent American history. He was one of a few select advisers in the room when President Gerald Ford decided to declare an end to the Vietnam War. Nearly thirty years later, from the presidential bunker below the White House in the moments immediately following the attacks of September 11, 2001, he helped shape the response: America's global war on terror. Yet for all of his influence, the world knows very little about Dick Cheney. The most powerful vice president in U.S. history has also been the most secretive and guarded of all public officials. Am I the evil genius in the corner that nobody ever sees come out of his hole? Cheney asked rhetorically in 2004. It's a nice way to operate, actually. Now, in *Cheney: The Untold Story of America's Most Powerful and Controversial Vice President*, New York Times bestselling author and Weekly Standard senior writer Stephen F. Hayes offers readers a groundbreaking view into the world of this most enigmatic man. Having had exclusive access to Cheney himself, Hayes draws upon hundreds of interviews with the vice president, his boyhood friends, political mentors, family members, reticent staffers, and senior Bush administration officials, to deliver a comprehensive portrait of one of the most important political figures in modern times. The wide range of topics Hayes covers includes Cheney's withdrawal from Yale; his early run-ins with the law; the incident that almost got him blackballed from working in the Ford White House; his meteoric rise to congressional leadership; his opposition to removing Saddam Hussein from power after the first Gulf War; the solo, cross-country drive he took after leaving the Pentagon; his selection as Bush's running mate; his commanding performance on 9/11; the aggressive intelligence and interrogation measures he pushed in the aftermath of those attacks; the necessity of the Iraq War; the consequences of mistakes made during and after that war; and intelligence battles with the CIA and their lasting effects. With exhaustive reporting, Hayes shines a light into the shadows of the Bush administration and finds a very different Dick Cheney from the one America thinks it knows.

**Nixon's Darkest Secrets** Don Fulsom, 2012-01-31 A veteran White House reporter reveals our 37th president was even more sinister and haunted than we knew. Richard Nixon left the White House in 1974 as our most disgraced president, but the American people never knew the full extent of his demons, deceptions, paranoia, prejudices, hatreds, and chicanery. Calling on his work in covering Nixon, scores of interviews with members of Congress, White House staffers, and others close to our nation's thirty-seventh president, and invaluable, newly declassified documents and recordings, veteran journalist Don Fulsom sheds new light on Tricky Dick. The author's revelations include: - That the future president sabotaged the 1968 peace talks for political gain - By the time Nixon became president in 1969, he had linked to the mob for more than two decades and, as president, had a close connection with New Orleans boss Carlos Marcello, the most powerful Mafioso in the nation - The president had a drinking problem and top aides referred to him as Our Drunk - Nixon had a misogynist streak and was abusive toward first lady Pat Nixon - The intimate and possibly homosexual nature of Nixon's relationship with confidante Charles Bebe Rebozo, a banker with mob ties - Testimony alleging that the president had ordered the killing of White House reporter Jack Anderson Fulsom's examination of these and other startling aspects of Nixon's personal and political dimensions paint an unflinching portrait of a leader who was once the most powerful man in the world. *Nixon's Darkest Secrets* provides a chilling final chapter in literature on our most troubled president.

*The Art of Her Deal* Mary Jordan, 2021-05-04 In this "scrupulously reported biography" (NPR) Jordan documents how Melania Trump had discussing being First Lady nearly two decades before she landed in the White House and how she encouraged her husband to enter the race for president. Based on interviews with more than one hundred people in five countries, *The Art of Her Deal: The Untold Story of Melania Trump* is "an extraordinary work" (Salon) that draws an unprecedented portrait of the first lady. We see that behind the scenes Melania Trump is not only part of President Trump's inner circle, but for some key decisions she has been his single most influential advisor. Jordan interviewed key people in Melania's close circle who speak publicly for the first time and uncovered never-before-seen photos and tapes of the tall woman with "tiger eyes," as a judge in an early modeling contest said. *The Art of Her Deal* shows Melania's ascent from a modest life, tracing her journey from childhood under a communist dictator to her complicated relationship with Donald Trump. The picture that emerges is "that the first lady is not a pawn but a player... and a woman able to get what she wants from one of the most powerful and transparently vain men in the world" (NPR). And while it is her husband who became famous for the phrase "the art of the deal," this is the story of the art of her deal.

This book delves into *The President S Book Of Secrets The Untold Story*. *The President S Book Of Secrets The Untold Story* is a crucial topic that must be grasped by everyone, ranging from students and scholars to the general public. This book will furnish comprehensive and in-depth insights into *The President S Book Of Secrets The Untold Story*, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:

- Chapter 1: Introduction to *The President S Book Of Secrets The Untold Story*
- Chapter 2: Essential Elements of *The President S Book Of Secrets The Untold Story*
- Chapter 3: *The President S Book Of Secrets The Untold Story* in Everyday Life
- Chapter 4: *The President S Book Of Secrets The Untold Story* in Specific Contexts
- Chapter 5: Conclusion

2. In chapter 1, this book will provide an overview of *The President S Book Of Secrets The Untold Story*. This chapter will explore what *The President S Book Of Secrets The Untold Story* is, why *The President S Book Of Secrets The Untold Story* is vital, and how to effectively learn about *The President S Book Of Secrets The Untold Story*.

3. In chapter 2, this book will delve into the foundational concepts of *The President S Book Of Secrets The Untold Story*. The second chapter will elucidate the essential principles that must be understood to grasp *The President S Book Of Secrets The Untold Story* in its entirety.

4. In chapter 3, the author will examine the practical applications of *The President S Book Of Secrets The Untold Story* in daily life. This chapter will showcase real-world examples of how *The President S Book Of Secrets The Untold Story* can be effectively utilized in everyday scenarios.

5. In chapter 4, the author will scrutinize the relevance of *The President S Book Of Secrets The Untold Story* in specific contexts. This chapter will explore how *The President S Book Of Secrets The Untold Story* is applied in specialized fields, such as education, business, and technology.

6. In chapter 5, this book will draw a conclusion about *The President S Book Of Secrets The Untold Story*. This chapter will summarize the key points that have been discussed throughout the book.

The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. This book is highly

recommended for anyone seeking to gain a comprehensive understanding of The President S Book Of Secrets The Untold Story.

## **The President S Book Of Secrets The Untold Story Introduction**

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The President S Book Of Secrets The Untold Story PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The President S Book Of Secrets The Untold Story PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The President S Book Of Secrets The Untold Story free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to

become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About The President S Book Of Secrets The Untold Story Books

1. Where can I buy The President S Book Of Secrets The Untold Story books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The President S Book Of Secrets The Untold Story book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
