God of Neverland Gama Ray Martinez,2022-04-12 In this magical re-imagining of J. M. Barrie's classic tale, Michael Darling—the youngest of the Darling siblings and former Lost Boy, now all grown up—must return to the life he left behind to save Neverland from the brink of collapse and keep humanity safe from magical and mythological threats, as well as answer the ultimate question: Where is Peter Pan? Peter Pan is missing; Neverland is in trouble. For adults,

that might not matter all that much, but for children—whose dreams and imagination draw strength from the wild god’s power—the magic we take for granted in the real world is in danger of being lost forever. Such is the life of a now grown-up Michael Darling. Michael returned from Neverland with the dream of continuing his adventuring ways by joining the Knights of the Round, an organization built to keep humanity safe from magical and mythological threats. But after a mission gone terribly wrong, he vowed to leave the Knights behind and finally live as a “civilian,” finding order and simplicity as a train engineer, the tracks and schedule tables a far cry from the chaos of his youth. He hasn’t entered the narrative in years. So what could the Knights need from him now? Maonos—or how he’s better known, Peter Pan—has gone missing, and Neverland is now on the edge of oblivion. Michael realizes he has no choice and agrees to one last mission. Alongside the young Knight Vanessa and some old friends, Michael embarks on the ultimate adventure: a journey to a fantasy world to save a god. Determined to stop evil, fight for Neverland, and find Maonos, will Michael be able to save the magical and physical world? Or will his biggest fear come true? The clock is ticking, and in Neverland, that’s never a good sign.

Since his original adventure with the Darlings, Peter Pan has been bringing new “Wendy girls” to Neverland to take care of the Lost Boys. But Ashley’s made of much

tougher stuff than the Wendy girls before her—she'd rather befriend the mermaids or fight Captain Hook and his pirate crew. Creating new adventures for her friends, Ashley is bringing change to Neverland . . . and not everyone is happy about it.

Inside is a yellowed envelope that contains a piece of very thin, almost translucent, white paper, on which, handwritten in black ink, are a series of seemingly random lines; among them are what appear to be fragments of letters, but not enough to make sense. At the bottom of the page is a verse about Peter Peter and a reference to a real hotel in London. As it happens, the family is about to embark on a trip to Europe, so the children decide that while in London, they will try to locate the hotel.

The Sandman and the War of Dreams William Joyce,2013-11-05
Academy Award winner William Joyce's Guardians recruit Sanderson ManSnoozy, the sleepy legend also known as the Sandman, to their cause in this fourth chapter book adventure. When the Man in the Moon brought together the Guardians, he warned them that they would face some terrible evils as they strove to protect the children of earth. But nothing could have prepared them for this: Pitch has disappeared and taken Katherine with him. And now the Guardians are not only down one member, but a young girl is missing. Fortunately, MiM knows just the man to join the team. Sanderson ManSnoozy—known in most circles as the Sandman—may be sleepy, but he's also stalwart and clever and has a precocious ability to utilize sand in myriad ways. If the other Guardians can just convince Sandy that good can triumph evil, that good dreams can banish nightmares, they'll have themselves quite a squad. But if they can't...they might never see Katherine again.

Alias Hook Lisa Jensen,2014-07-08 Every child knows how the story ends. The wicked pirate captain is flung overboard, caught in the jaws of the monster crocodile who drags him down to a watery grave. But it was not yet my time to die. It's my fate to be trapped here forever, in a nightmare of childhood fancy, with that infernal, eternal boy. Meet Captain James Benjamin Hook, a witty, educated Restoration-era privateer cursed to play villain to a pack of malicious little boys in a pointless war that never ends. But everything changes when Stella Parrish, a forbidden grown woman, dreams her way to the Neverland in defiance of Pan's rules. From the glamour of the Fairy Revels, to the secret ceremonies of the First Tribes, to the

mysterious underwater temple beneath the Mermaid Lagoon, the magical forces of the Neverland open up for Stella as they never have for Hook. And in the pirate captain himself, she begins to see someone far more complex than the storybook villain. With Stella's knowledge of folk and fairy tales, she might be Hook's last chance for redemption and release if they can break his curse before Pan and his warrior boys hunt her down and drag Hook back to their neverending game. *Alias Hook* by Lisa Jensen is a beautifully and romantically written adult fairy tale.

something wrong with Never Never Land and Wendy is determined to find out what it is. Danger lurks in the ocean, on land, and around every corner. The ticking clock is growing louder and not even Captain Hook can stop the inevitable. The Daughters of Neverland are in trouble. Will they be strong enough to survive the spreading evil?
